

Maharashtra Engineering Training Academy, Nashik.

Name of Course : - Geotechnical Investigation & Advance Geotech Engg.

Course Period : 15 Jan 18 to 17 Jan 18

Day/Date	Time	Topics	Faculty
15/1/2018 Monday	10.00 to 11.30	Registration	META, Nashik
	11.45 to 13.15	Overview of Geo technical investigation for structures	V.P.Ramgude S.E.& J.D. META
	14.30 to 16.00	Geo- technical investigation for Highway works	Authority Engginer NHAI
	16.15 to 17.45	Geotechnical Investigation fo Tunnel	Geologist CDO
16/1/2018 Tuesday	10.00 11.30	Design and Costructions of reinforced earths walls, gabbians, PVDS, use of Geotextiles & Geo grids in Highway construction.	Shri. Randive. Tech Fab 98220975561
	11.45 to 13.15		
	14.30 to 16.00	Various aspects of Geo technical investigatios related to Bridge, building & road works.	Dr. Dandge /Dr.Devikar Geotechnical Consultant & Shri. M.I. Pandit 9820029646
	16.15 to 17.45		
17/1/2018 Wednesday	10.00 to 11.30	Laboratery Demonstration of Various Test on soils	Soil Mechanics Divsion MERI, Nashik
	11.45 to 13.15	Plate load Test & Laod Testing Of Piles Dynamic pile Load Test	Shri.Shintre Conculant Nashik
	14.30 to 16.00	Verious Problems & Foundation Case studies for Bridges in Maharashtra	Shri.S.S.Bhonge S.E. Design Circle 8600148818
	16.15 to 17.45	Group discussion And Conclusion	META Nashik

Course in-charge : Shri. H. M. Khorgade, Executive Engineer

Course coordinator : Shri. L.S.Patil Sr.Scintific Asst.

3- Nomination Nil - 26/12/2017.
